Reinforced complete line quick disconnect with EU or US connector

This reinforced hose allows you an intensive use without any risk of tearing during the game.
The end pieces are crimped in the hose with a hydraulic press which allows to obtain a high tensile strength (greater than 70 kg)
Even folded or twisted, air continue to flow.
The braided coating of the hose guarantees excellent resistance to abrasion.

- Comes with a coupler mounted
- Length 120 cm.

Attention, this version of the reinforced hose is to screw directly into your regulator (fixed assembly with 3 turns of Teflon). Use only in very low pressure (0-10bar)
