Available in 2 colors

Compact lamp made of high quality CNC aluminum. Thanks to its LED technology, it offers a luminous flux of 220 Lumens! Its tempered glass bulb is extremely resistant.

This X300 Vampire flashlight has an integrated 21mm Picatinny rail mount, and its controllers are ambidextrous (once the flashlight is mounted on a GBB, it is triggered by simple pressure with the index finger). The lamp has a strobe mode.

Delivered in a rigid BO Manufacture case

Works with 2 CR123A batteries (not supplied)
